

Phil Arnautou, Partner

Mr. Arnautou is a Partner in the Colliers Advisory Group, division of Colliers International and a past-Director of Colliers International. Phil has a broad understanding of the impact of varying real estate structures on the financial statements of his clients. He spent four years in public accounting with Deloitte Haskins & Sells. In 1989, Phil founded the Corporate Advisory Group of Colliers in San Francisco where he could use his background in accounting and real estate simultaneously. He transferred to the Silicon Valley office of Colliers in 1993 and was one of the founding partners of the Colliers Advisory Group, San Jose. Mr. Arnautou's 25 years of experience includes financial analysis, national and regional location analysis, site selection, facilities and long-range planning, transaction structuring, off book financing, and financial statement impact analysis.
