

John Castagnoli

Project Executive

John Castagnoli joined Devcon Construction, Inc. in August of 2001 in the capacity of Project Engineer and was promoted to Project Manager in 2005. In July of 2012, John was promoted to Senior Project Manager. Currently as a Project Executive for Devcon, his responsibilities include client contact; coordination between the architect, designers, and engineers; estimating; managing interiors and building shells; scheduling of projects for maximum efficiency; and cost control, materials and labor management.

John holds a Bachelor of Science in Civil Engineering from Colorado State University and a Master of Science in Structural Engineering from Stanford University. He is also a LEED Accredited Professional.
